Feedback on Evaluation Work Plan

Challenge

Provide feedback on PARC's Walk This Way evaluation plan and give them other approaches and options to consider.

Service received

THCU provided feedback and suggestions on PARC's evaluation plan via email and telephone.

THCU resources/tools provided/discussed

None

Actions taken as a result of the consultation

PARC incorporated as much feedback as possible into the evaluation plan for that year. They "tabled" the rest of the information for future planning.

Lessons learned

The consultation process and turn-around took longer than PARC expected. In the future, PARC will request a consultation further in advance.

Barriers to taking advice/using the tools
